STARTING POOL
Red begins with 4 available Corruptions ; Purple begins with 5.

START OF STATION I-V
In initiative order, each demon may freely Exploit one controlled Domain. This counts as that demon's Exploit for that Domain this Station.

PULSES
Each Station has a fixed number of Pulses. On every Pulse, the initiative demon acts, then the other demon acts.

ONE ACTION
Choose ONE: Invest, Exploit, Provoke, Amplify, Seal, Crack, Hinder, Draw from the Shadow, or Pass.

END OF STATION
After the last Pulse, resolve the Liturgical Response. It is In Integro unless a Hinder or card effect made it Impedita.
